FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - CAC-W1 – Workers Compensation State Fee Schedule Adjustment
 - CAC-18 – Exact duplicate claim/service
 - 224 – Duplicate charge
 - 282 – The insurance company is reducing or denying payment after reconsidering a bill
 - CAC-29 – The time limit for filing has expired
 - 731 – Per 133.20 Provider shall not submit a medical bill later than the 95th day after the date the service for services on or after 9/1/05

Issue

1. What is the timely filing deadline applicable to the medical bills for the services in dispute?
2. Did the requestor forfeit the right to reimbursement for the services in dispute?
3. Did the requestor waive the right to medical fee dispute resolution?

Findings

1. 28 Texas Administrative Code §133.20(b) requires that, except as provided in Texas Labor Code §408.0272, "a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided." No documentation was found to support that any of the exceptions described in Texas Labor Code §408.0272 apply to the services in this dispute. For that reason, the requestor in this dispute was required to submit the medical bill not later than 95 days after the date the disputed services were provided.
2. Texas Labor Code §408.027(a) states, in pertinent part, that "Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment." 28 Texas Administrative Code §102.4(h) states that "Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on: (1) the date received, if sent by fax, personal delivery, or electronic transmission or, (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday." Review of the submitted information finds no documentation to support that a medical bill was submitted within 95 days from the date the services were provided. Therefore, pursuant to Texas Labor Code §408.027(a), the requestor has forfeited the right to reimbursement due to untimely submission of the medical bill for the disputed services.
3. 28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section. (A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of the services in dispute is July 19, 2013 and January 20, 2014. The request for medical dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) section on February 09, 2015. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307(c)(1)(B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute, as addressed in 28 Texas Administrative Code §133.307(c)(1) and (c)(1)(A). For that reason, the merits of the issues raised by the parties to this dispute have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the services in dispute.
